

# COMMUNITY RESOURCES

## 2.1.1

Get Connected. Get Help.™

**211** is a free, confidential information and referral service that connects people from all communities to the essential health and human services they need, 24 hours a day, seven days a week.

Our 211 serves residents of Marathon, Portage, Lincoln, Door, Brown, Kewaunee, Oneida and Vilas Counties. In 2019, United Way's 211 answered **16,534** requests for help from residents, providing **31,608** referrals to community resources.

If you ever are in need of assistance and don't know where to turn, United Way's 211 information and referral service is here for you.

## SUCCESS STORY

After a recent divorce, Jason had 50% custody of his children and had been falling behind in rent. His landlord wanted him to repay by a certain date, but Jason would not be receiving a paycheck before that date. After contacting 211, Jason connected with local agencies he was referred to and was able to pay his landlord back and avoid being evicted. Jason expressed his appreciation during the follow-up call, saying

“It's nice to know there are people who really care out there.”

The 2019 Sweepstakes concluded at the January 29, 2020 Recognition Luncheon. Ten finalists were randomly selected and tried to unlock the Fiat Spider. The winner of the new car was Keith Ende, an employee at Aspirus.

## 2019 ANNUAL REPORT

# MISSION

Unite people and organizations in Marathon County to build a stronger community and strategically invest in education, financial stability and health priorities to improve lives now and into the future.

## A MESSAGE FROM UNITED WAY

**United Way of Marathon County** has been providing services to the people of Marathon County for 90 years. During the Great Depression, the organization began as a way to meet the needs of our community. We have continued to expand our services over the years. United Way offers a broad range of opportunities to give, advocate and volunteer to improve the lives of people. We are stronger today because of **YOU**.

2019 was a successful year and we pause and give thanks to you and our community. Our donors, volunteers, partners and staff make up what success means for this organization. Thank you for your investment, commitment and dedication to the mission of United Way of Marathon County.

## VOLUNTEER

**Our volunteers play an important role in the community and impact the work we do.**

Through our Bundles of Joy program, more than **300** people provided **600** hours to gift wrap during the holiday season. This dedication provided needed funds and purchased **15,000** diapers for 10 local agencies. Over **1,000** volunteers raked **130** yards for seniors and **5,121** volunteers used the Get Connected Website to find opportunities to help.

Retired Senior Volunteer Program (RSVP) connects people 55 and older to volunteer opportunities in the community. The program has more than **536** members who serve at **49** stations in Marathon County.

Our volunteers provide year-round support for many programs including CommUnity Fest, Adopt a Classroom and the Eastbay Turkey Trot. The endless support is felt throughout the year through group projects, individual volunteering and hours of dedicated support by committee members.

**Emerging Leaders** and **Women United** collectively provided **379** individuals with work clothing at the Career Closet and **12,400** items went back into the community to help children in need through Rebecca's Closet. They raised **\$28,750** at Power of the Purse and packed **48,000** servings of healthy trail mix at Smack Hunger. We thank these members and praise them for their dedication.

# EDUCATION

**Education is the foundation for community success.**

Because of **YOU**, the Ready to Read program distributed more than **8,500** new books to **nine** programs and children were able to enjoy the gift of reading. Your investment allowed **2,609** children to participate in after-school programs funded by United Way and children were connected to lifelong peers and advocates.

**300** students attended and connected with **34** businesses at the Partnership for Youth Hiring Fair.

**Two** area High Schools decreased the number of students cited in truancy court by over **50%** because of your commitment.

Early brain development is important and that's why the Marathon County Early Years Coalition is continually promoting **"Talk. Sing. Read. Play. Every Child. Every Day."** Our single day event had **16** community partner organizations and had **980** parents and children engaged with child-based community resources.

RaiseGreatKids.org highlights education videos on Safe Sleep, Coping with Crying and Car Seat Safety.

**\$740,000** was invested to improve school readiness and academic performance in our community due to your generosity.

# HEALTH

**United Way is committed to improving the health of our community.**

Because of your generosity we provide funding for programs that include a strong focus on improving mental health, reducing alcohol and drug abuse and decreasing relationship violence and sexual assault.

With an increase of residents over the age of 65, our funded programs support keeping our seniors safe and living independently whenever possible. This has a positive effect on their health and well-being.

Partnering with the RSVP program allows community connections with seniors and volunteer opportunities beyond our four walls.

## HERE'S WHAT YOU DID

**298** individuals received substance abuse treatment services from a United Way funded program.

**121** calls were received for people in crisis through the 211 Call Center and

**371** people contacted the Wisconsin Addiction Recovery Helpline.

**18,866** mobile meals were delivered serving **188** individuals.

# FINANCIAL STABILITY

**Our goal is to reduce hunger and homelessness in Marathon County**

**while increasing skills to improve self-sufficiency.**

ALICE is an acronym for Asset Limited, Income Constrained, Employed – households that earn more than the Federal Poverty

Level, but less than the basic cost of living for the county (the ALICE Threshold). Combined, the number of ALICE and poverty-level households equals the total population struggling to afford basic needs.

**35%** of families in Marathon County live paycheck to paycheck. Our donors change lives and increase awareness by partnering with groups that create results.

## HERE'S WHAT YOU DID

**10,000+** pounds of food was collected at CommUnity Fest.

**697** individuals received financial education through funded programs.

**19,485** nights were spent in three local shelters providing adults and families with a safe and warm place thanks to our funded partners.

**\$458,000** was invested in the community through partner programs that support financial stability, food security and affordable housing.

**3,060** dozen eggs were distributed to food pantries.
